E. Filing Documents with Exhibits and Attachments Under One Docket Entry Number

1. All documents with exhibits and attachments capable of electronic imaging and filing shall be electronically filed together under one entry number.

If a filing is larger than one (1) megabyte and if any portion of the filing has been scanned, the filing document should be no more than 8 ½ by 11 inches, without color and the resolution should not exceed 300 DPI. If making these adjustments does not reduce the filing size to one (1) megabyte or less, the filer will make suitable arrangements with the Clerk of Court to effect the filing.

For filings that require a fee, registered participants shall pay such fees electronically via the internet by means of the on-line credit card payment system required by the Court. All payments are to be made contemporaneously with the filing.

2. Trial Exhibits
